Private Tour - Montserrat with English Speaking Tour Guide

This half day tour of Monserrat will take you on a tour of Mount Montserrat, passing various picturesque villages. At a height of 4,051 feet, Monserrat is a majestic sight. Here you can explore the various cultural hotspots, including The Royal Basilica, which has housed the famous 12th century carving of Virgin Moreneta (the Black Virgin). The royal basilica has been one of the most important pilgrimage sites in Spain for centuries. You may also be fortunate enough to witness the children's choir of the monastery at midday. In direct contrast, you will visit the "artistic side" of Barcelona, visiting various architectural wonders belonging to the famous Gaudi, including Parc Guell, Paseo de Gracia and Casa Batllo.
