## Cadiz Discovery City tour

Setting out from the Port of Cadiz, you'll be driven around the city walls. It's the very best way to see the sights, and gives you a wonderful, panoramic view of the area and sights including the Roman Theatre the Castle of San Sebastian and Caleta Beach. When you reach the Plaza de Espana it's time to stretch your legs and get about on foot you'll walk around Cadiz for approximately two hours. The superb Cortes Monument is another must-see Dating back to the early nineteenth century, it's a spectacular edifice and one of the region's most photographed monuments. No visit to Cadiz would be complete without seeing the stunning cathedral, and there'll be an opportunity for you to take a look inside as well. Then it's back to the Populo quarter and onto the Town Hall before heading back to Cadiz cruise port.

## Seville return Shuttle Bus Shared Basis

One of the jewels of the crown in Europe, Seville boasts one of the biggest cathedrals in the world, the Giralda tower and the Royal Alcazar palace all part of the World Heritage Sites of UNESCO. This 2000 years old town is a perfect fusion of Moorish and Spanish architecture. You will start your journey to Seville on this self guided tour by meeting our official representative and your driver. Board your A/C shuttle and sit back and relax during this 90 mn picturesque journey to Seville. At your arrival, you will be dropped off in Puerta de Jerez, right in the historical centre of Seville. The Cathedral, the Jewish Quarter and the Real Alcazar Palace are all within a 5 min walking distance. Maps will be provided to help you to make the most out of your day. Make sure that you visit the Real Alcazar, a former Moorish fortress filled with spectacular gardens, fountains, halls, patios and Moorish paintings and the Cathedral of Seville the 3rd biggest Cathedral in the world. After meeting our representative at the same drop off point, as you leave Seville we will stop in Plaza España to capture a piece of its incredible beauty.
