Sea Kayak & Beach BBQ Adventure

You and a group of cruising friends and family can come embark on a journey where you'll see the most beautiful scenic views of the Vancouver mountainous countryside, on board your very own kayak. Along with a trained instructor you'll gently paddle around the beautiful area known as Indian Arm. You'll see a wonderful array of wildlife in their natural habitat, including seals, bald eagles, and starfish, before eventually ending your trip with a gourmet salmon barbeque on the lakes bank.

Highlights

- Whales - 85% Chance
- Sea Lions and Bald Eagles

Vancouver Killer Whale Watching Safari

The grace and beauty of the orca whales alongside the stunning Vancouver countryside backdrop is a sight unparalleled in North America. This is a completely unique opportunity to see these incredible creatures in their natural habitat. You'll travel by boat to patch of water where they spend the summer. Here you'll get as close as possible to these amazing animals, as well as having the chance to see dolphins, seals, sea lions and many more in their home. This is an amazing tour which you will never forget.
