per person

## Butchart Gardens Tour

Butchart Gardens is one of Victoria's most famous and popular attractions! Located approximately 35 minutes from downtown Victoria, the gardens features over 55 acres of meticulously manicured grounds. Begun in 1904 as an effort to restore a worked-out quarry site, the gardens has since been delighting visitors from all around the world. During the drive to the gardens, you will get an orientation of what to see and do. Upon arrival, you can set out on your own self-guided itinerary at your own pace.

## Highlights
